How to add the Schala shortcut to your homescreen

09:52 AM

iPhone

Open Safari on your iPhone or iPad

Navigate to the Schala login page at schala.golf

Agree to cookies or Schala may not work on all functions.

Scroll screen up and Select "Add to Home Screen".

Tap "Add" to confirm.

The shortcut should now be on your homescreen

09:52 AM

Android

Open the Chrome app on your Android device.

Navigate to the Schala login page at schala.golf

Tap the menu icon (three vertical dots) in the top right corner.

Select "Add to Home Screen".

Tap "Add" to confirm.

The shortcut should now be on your homescreen
